

**26th** INTERNATIONAL  
**INPUT-OUTPUT**  
CONFERENCE  
JUIZ DE FORA - MINAS GERAIS - BRAZIL  
**JUNE 25-29, 2018**

## CALL FOR PAPERS

You are cordially invited to participate in the 26th International Input-Output Conference & 8th Edition of the International School of I-O Analysis which is the most important congress in the area and will count with respected researchers from all over the world. The main objective is to share the progresses made in this field of analysis - input-output, including basic data improvement, theoretical insights, modeling, traditional and new applications on input-output techniques.

The conference environment was taught to allow and favor the exchange of ideas, the interaction among established researchers as well as the insertion of young researchers in the field.

**If you wish to register to present a paper,  
please click on the button bellow.**
